

1. **Team defined:** A team is defined as three anglers plus one alternate under one team name. You can register your team name at www.northernoaheseries.com. Team captain must be listed first in all tournament entries. *The alternate was added this year to assist competitors in fielding a qualified team for more tournaments to be considered for team of the year points.*
2. **Team of the Year Points:** Points will be accumulated by place in each tournament by team name. You only have to register once. 200 points will be awarded to the winner of each qualifying tournament, 199 to second, 198 for third, etc. All teams who receive weight credit will receive points. The point standings will be tabulated at the end of each tournament and will be posted on northernoaheseries.com. In order to qualify for team of the year points; a minimum of 2 team members must fish together as a team in any Northern Oahe participating tournament with the same team captain listed first. You may fish more than three tournaments with that team. The top three scores, if registered properly, will be used to go into the championship. Launch number will be determined by point standings.
